4730 • 4730x • 4730xs • 4730xm

Watch productivity soar with print, copy, scan, and fax¹ integrated into one reliable color multifunction that's affordable enough to place in every workgroup.

Extend your HP LaserJet experience

- **Position the MFP close to users and increase efficiency.** Ensure effective document production with a familiar user experience and industry-renowned HP LaserJet reliability. The integrated design of this multifunction device conserves floor space, so you can place it where it's needed.
- **Do more for less.** Print and copy at speeds up to 30 pages per minute (ppm) for color and black-and-white documents. With high-performance faxing and effective scanning to e-mail, this color laser MFP supports multiple workflows and improves the productivity of demanding workgroups.¹
- **Get best-in-class HP Jetdirect embedded networking.** Transfer information quickly and reliably for increased efficiency. HP Web Jetadmin offers remote installation, configuration, and proactive management—including color control. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, provides job tracking and accounting, and automates supplies ordering.

Easy for IT and end users

- **Maximize usability and minimize training costs.** The touch-screen control panel has an integrated design to monitor and operate the device. Employed across several HP devices, this intuitive control panel provides users of HP products with a familiar walk-up experience.
- **Count on HP print cartridges with HP ColorSphere toner.** New HP LaserJet ColorSphere toner produces fast, brilliant results for black text and vivid images. With the cartridge, toner, and imaging drum in one supply, you refresh the imaging system when cartridges are replaced, ensuring consistent print quality. HP cartridges ship installed and ready to print. With the cartridges' new automatic toner seal removal feature, future installations are a snap.
- **Let the MFP work for you.** HP Smart printing technology works with the device and HP print cartridges to make automatic adjustments for reliable, consistent results every time you print. Easily manage HP supplies with remote troubleshooting, print job tracking, and proactive alerts for low cartridges. Simply and conveniently replace cartridges with HP SureSupply™ shopping and online ordering.²

Out-of-the-box functionality

- **Take a break from reloading paper.** Get an input capacity of 1,600 sheets: the 100-sheet multipurpose tray and three 500-sheet input trays let you use each tray for a different paper type to minimize interruptions.
- **Effortlessly deliver finished output.** With scalable finishing features you'll save time and your documents will look great. Choose the 500-sheet stapler/stacker to staple up to 30 pages or the 700-sheet 3-bin mailbox to assign print, copy, and fax output to different mailboxes, or assign users to each tray.
- **Boost productivity with full-speed, two-sided printing and copying.** The high-quality color scanner delivers up to 600 by 600 dpi resolution for high image quality and accuracy and provides easy, two-sided copying and scanning with the automatic document feeder (ADF).
- **Integrate documents into workflows.** Building on the MFP's embedded scanning functionality optional HP Digital Sending Software 4.0 facilitates document workflow and enhances business communications by enabling Optical Character Recognition (OCR), sending to shared network folders and fax services, including LAN fax, Internet fax, and Windows fax services.

Preserves your budget

- **Pay less and better meet your needs.** 90 percent of office documents use letter and smaller paper sizes, so you can count on the MFP to handle the bulk of your workload.
- **Realize the advantages of color without risking the expense.** HP Color Access Controls help you protect your investment while reaping the benefits of color when you need it. Control when and how your workgroup uses color by disabling any unnecessary color printing and copying. (Available October, 2005.)

HP printing and imaging systems help you create powerful, professional communications easily. Imaging devices, supplies, accessories, and services are designed together to work together and are invented to meet your business needs.

Low total cost of ownership

For many businesses, the total cost of ownership is a critical part of the purchasing decision. The affordable purchase price, high-performance versatility, and trusted HP LaserJet reliability designed into the HP Color LaserJet 4730mfp series deliver significant cost savings both today and over time.

An efficient multifunction device. An impressive set of paper-handling capabilities enables you to produce documents locally. With the HP Color LaserJet 4730mfp series, you can eliminate costs and distribution time associated with centralized printing.

Reliability saves money. By far the biggest contributor to user productivity and low cost of ownership is the reliability of HP equipment, support, and service. For over a decade, Hewlett-Packard has consistently received the top grade in PC Magazine's Service and Reliability Survey and recently received one of the first-ever A+ ratings. Instead of experiencing frustration and expensive downtime, users can get their work done!

HP Smart Printing supplies advantage³

HP papers and HP LaserJet print cartridges are designed to work together with HP printing devices, so you can depend on producing consistent, high-quality documents. HP designs its print cartridges to produce the clarity needed for halftone images, smooth grayscales, and fine details. HP Smart printing technology is activated every time you put an HP print cartridge into your MFP, allowing you to monitor your current supplies, order new supplies, and print successfully every time. And each HP print cartridge continually adjusts toner properties to ensure high-quality output over the life of the cartridge.

Award-winning HP support

HP offers a variety of support options to assist you in the setup and maintenance of the HP Color LaserJet 4730mfp series. HP's expert knowledge will help you make the most of your MFP and ensure your equipment is running at peak efficiency. Start with a one-year, next-day, onsite HP limited warranty, backed by free telephone support from the award-winning HP Customer Care. To further guarantee trouble-free operation and maximize the potential of your HP Color LaserJet MFP, consider upgrading service and support options such as installation, network installation, advanced maintenance, and post-warranty support.
